

College Financial Representative

Job Description: College Financial Representatives with the Northwestern Mutual Financial Network have the same opportunities to build their careers as full-time representatives. Supported by our network of specialists, training programs and mentoring opportunities, college financial reps have access to the resources, products and assistance they need to help their clients and build their practices.

Like full time Financial Representatives, college financial representatives strive to understand their clients' goals and visions in order to uncover financial solutions that put them on a path to success. College Financial Representatives are in business for themselves – but they're not alone.

Accolades, Ratings and Assessments:

- The Network was also named as having one of America's Top Ten Internships for 2009 by Vault Guide to Top Internships, 2009 edition
- Northwestern Mutual was named one of the "Best Places to Launch a Career" by *BusinessWeek* magazine (September 15, 2008 edition)
- Northwestern Mutual consistently earns **the best possible financial strength ratings** from the four major financial ratings services: Northwestern Mutual's ratings: Moody's Aaa, 4/2008; Standard & Poor's AAA, 7/2008; Fitch Ratings AAA, 6/2008; and A.M. Best Company A++, 7/2008.

Opportunity: Your local network office provides tools, resources and training to help you discover and build your markets to develop a successful practice as a College Financial Representative. At Northwestern Mutual we believe training is a process, not an event. Can you envision a life of real world compensation, freedom and calling your own shots? Many college students cannot. The Northwestern Mutual Financial Network internship is a valuable opportunity for students to combine classroom learning with a real-life look into what they could truly make of themselves.

Preferred qualifications: To be considered for the position, you must be a full-time student at a four year institution. You must have strong interpersonal skills, be self-motivated and have a history of personal success.

To apply: Contact Tarap@vbsr.org, with your Resume, Cover Letter, and the two student forms found on the VBSR Intern Page. This can be cut and pasted in to word. If you have questions please contact Tara directly via e-mail.
