Prevent Child Abuse is currently looking for Parent and Child Facilitators to teach the Nurturing Parenting Program. The current locations are St. Albans/Richford/Burlington/South Hero. They are also in need of child care providers at these sites, and facilitators for Circle of Parent Support Group in St. Albans and Williston. See descriptions below:

We are looking for Interns to provide childcare for our Nurturing Parenting Programs in Chittenden County, Franklin County and Grand Isle. The Nurturing Parenting Programs are parenting classes that are run in collaboration with school systems and community organizations.

We are also looking for INTERNS to facilitate parent support groups for Circle Parent Support Group. Interns will utilize their reflective listening skills and provide mutual support to parents. Also in need of interns to provide childcare on site.

Interns will be provided training and given other opportunities. Some opportunities include: networking with local agencies, advertising, coordinating food preparation and ordering, data entry, intakes...

Pay: \$20 if 18 years or older for 2.5 hours.
