

Employer Guide: Exit Interview

Name _____	Position _____
Supervisor _____	Term _____

What did you like most about your internship? Least?

What do you think your best accomplishments were?

What do you think you could have done better?

Were the expectations of you clear?

Did the internship meet your expectations in terms of content/workload/supervisory style?

How did the reporting/supervisory process work for you?

Was there anything you had hoped to work on/learn that you didn't?

Are there any suggestions you may have for improvements with the internship program?
