Vermont Business Magazine is Vermont's only source for statewide business information. Since 1972, VBM has published the latest and most accurate information and economic data available in the state. VBM's monthly magazine, along with their annual Business Directory and Book of Lists, focuses on subjects such as Vermont's largest companies ranked by sales, the largest employers, technology, construction, health, and travel and tourism news, to name a few. VBM hosts several events a year, including the most anticipated Made in Vermont Marketplace, which showcases a variety of Vermont-made products. VBM also publishes free daily business e-newsletters and weekly e-newsletters focused on newsmakers, health and environmental news. Our website, vermontbiz.com, Vermont's only business to business website, is receiving over 105K visitors a month with over 85,000 page views. According to our latest readership survey, 70% of our readers who visit vermontbiz.com share stories from our website with friends and colleagues.
